On trobar la info?

WEB UDL – INTERNATIONAL – ESTUDIANTAT UDL

<https://udl.cat/ca/serveis/ori/estudiantat/>

- Reuneixo els requisits generals i específics?
 - 5.5 expedient de Mobilitat (no és el mateix que l'acadèmic, compta les notes suspeses)
 - Requisits lingüístics (usually B1 anglès)
 - 52 ECTS a data setembre 2023
- Quin programa i destí opto?
 - Web de cada programa de Mobilitat
 - FINS A 5 DESTINACIONS A LA SOL·LICITUT ordenades de la 1 a la 5 (la 1 la que té més preferència)
- Sol·licitud quan i com?
 - Segons programa Mobilitat – Check web

Què puc estudiar?

- Programa de Mobilitat
 - Erasmus
 - Mobilitat UdL: Resta del Món
 - SICUE - Espanya
- Obligatòries, troncats, optatives, TFG, practiques...
- Prèvi acord amb Coordinador Origen i Coordinador Destí – LEARNING AGREEMENT
 - **About Learning agreement**
 - Nombre de crèdits de les assignatures similars als que es volen convalidar
 - Guies docents similars al que es vol convalidar
 - Nombre total de crèdits semblants al que es vol convalidar
 - Si sobren us faig reconeixement de Matèria Transversal
 - Mireu a partir de l'oferta de places, la web de la facultat que us interessa i mireu plans d'estudis i guies docents.

A tenir en compte...

- Rebràs ajut o finançament, però normalment arriba quan l'estada ha s'ha iniciat i potser no cobrirà totes les despeses.
- Una Mobilitat no és un viatge organitzat, cal actitud proactiva (transport, allotjament, assegurança...)
- Interacció Estudiant – Coordinador acadèmic
eps.international@udl.cat
- Assignació per preferència de punts segons bases de cada convocatòria

MINOR GLOBAL ACTING IN IT INNOVATION IN INTERNATIONAL LEARNING SPACES

Do you have a global mind-set? Do you consider yourself a global citizen?
Are you interested in international IT aspects and other cultures?
Would you like to experience this abroad in projects and international classrooms?
Then you might be interested in this new minor Global Acting in IT!

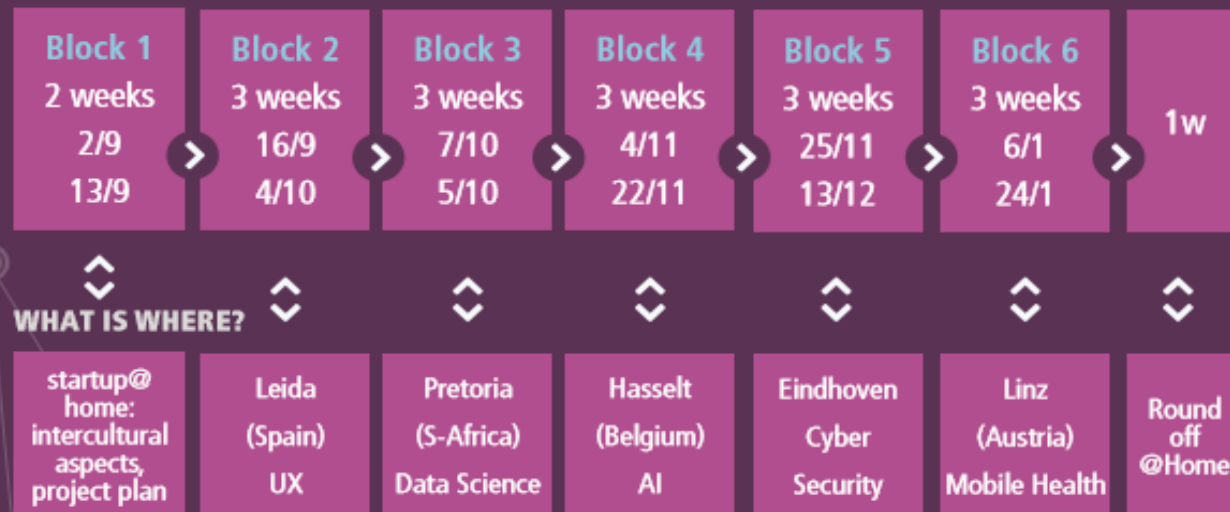

SCHOOL OF
INFORMATION AND
COMMUNICATION
TECHNOLOGY

[FONTYS.EDU / XXXXXXXXXXXX](https://fontys.edu/xxxxxxxxxx)

Together with four partner universities abroad Fontys school of ICT developed a minor program of a semester(30 ECTS). You can choose to travel to two, three, or all four of the universities at different locations abroad: Spain, South Africa, Belgium, and Austria. For the other blocks you will attend classes from your home university. The aim of the minor is to combine international IT aspects and trends in IT with intercultural aspects, and to actually experience this in an international setting.

ABROAD OR @HOME

The minor consists of six blocks contributing to a central theme with a local specialism. You can travel to the participating universities to attend their block of three weeks locally. The first block runs at home. You can also choose to stay at home for a certain block and participate remotely. For this an online learning environment and/or virtual classroom will be used.

"WILL YOU JOIN?"

Globalisation started a while back and changed societies, economies and personal lives, calling for new competencies suited for the 21st Century. In the last few years we saw the advent of the so-called Fourth Industrial Revolution, it has arrived and it is here to stay.

Students work together in international groups on an overarching project of a semester.

The three keystones of the programme are:

1. Intercultural awareness and practice
2. International collaboration and experience
3. ICT in an international perspective against the backdrop of the 4th Industrial Revolution

The (learning) objectives of the minor are:

- Creating responsive ICT professionals: adaptive, resilient, innovative and responsible.
- Global Citizenship & Intercultural Awareness
- Communication and collaboration across borders.
- The student can study and work on real life projects in an international environment and choose to go 3, 6, 9, or 12 weeks abroad.

The areas of expertise in this minor are:

Block 1: Intercultural aspects, global citizenship (@home)

Block 2: UX (Spain)

Block 3: Data Science (South Africa)

Block 4: AI (Belgium)

Block 5: Cyber Security (The Netherlands)

Block 6: Mobile Health (Austria)

MORE INFORMATION URL XXX

- Fontys School of ICT
- Application procedure ProgressWWW
- Travel is at own cost. Advise is to arrange for travel in time to keep costs limited. Housing at the locations.
